

Who is God

Question: Can I **Hear** Him?

Answer: Yes, You Can!

God wants to talk to you.

God wants you to hear
His Voice

Can you hear Him?

Listen carefully

Do you think he will talk to
you in a **LOUD** voice?

Or, in a very *soft* voice?

How can you hear Him?

Turn the page....

You need to be very quiet
and close your eyes,

You will hear God
speak to you.

First, close your eyes!

Ask, "Lord, is there
anything you want to tell
me?"

(Listen Carefully)

Now open your Eyes

What did *God* say?

Did you hear anything?
If your answer is 'No'
ask the question again.

Sometimes God will say, "I
LOVE you."

Keep asking until you hear
Him. When you hear Him,
Ask another question.

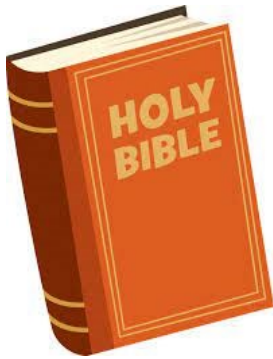

**Lord, How can I get
to know you better?**

What did God say?

Sometimes, God will answer

"Read my word."

Then ask, "Where in your
Word do you want me to
read, Lord?"

Keep listening, keep asking
questions. God loves to hear
you talk to Him!

God wants to be your friend!

God Loves You and has a
very special plan for your
life!

Continue to practice until
you recognize and hear the
small still voice of God.

Jesus said, "Be Still and
Know that I AM God!"

Psalms 46:10

Learn to be Still!
And Learn to Listen!
