In this little book you will learn how to see into God's Kingdom. First you will need to sit very still and close your eyes. You will learn to use your imagination to put pictures in your eyes.

Then you will learn to use your imagination to meditate on the Kingdom of God by asking Him questions, listening to worship songs and reading His word the Bible.

God gave us our imaginations.

So, what is an imagination?

You can use your imagination
by making a picture in your
eyes.

Close your eyes real tight.

Now picture in your mind an
ice cream cone?

Open Your Eyes!

Did you picture an ice cream
cone?

What kind of ice cream cone
did you see?

Do you see a chocolate or
vanilla or cookies-and-
cream?

Does it have a double or
single scoop?

Does it have whipped cream
and a cherry on top?

Close your eyes and picture
an ice cream cone again.

What did the ice cream cone
look like?

Let's make a picture with
your imagination again.

**Close your eyes and picture
in your eyes a balloon.**

Wait for a few seconds,

Now, open your eyes. "what did you see?"

Did you see a blue or maybe a red balloon when you closed your eyes?

Or did you see a bunch of
balloons on a string

,

Or maybe you saw a **big**
hot air balloon.

Close your eyes, and picture
a balloon again. You will get
better at it.

Making pictures with your eyes closed is called using your imagination.

God gave you an imagination so you can learn to know Him better.

Let's ask God, to give you
eyes that can see Him.

First pray to *God* to protect
your eyes.

Pray: Dear *God*, I want to
know you better. I ask you
Father, God, to show me how
to use my imagination to
learn to know you. Protect
me from any evil. Let me see
you and get to know about
you and your *Son, Jesus*.
Amen!

Close your eyes,
real tight again.

And put Jesus in your eyes.

Wait to see a picture,
and then open your eyes!

Did you see Jesus?

What did He look like?

Everyone will see Jesus
differently.

Jesus wants you to
know Him better.

What was He wearing?

Did you see His eyes?

What did God show you
about Jesus?

Next, picture in your eyes
a door that is open.

Look at this door.

Close your eyes.

Can you picture this door in
your eyes?

Now picture in your eyes,
Jesus standing in the open
door, inviting you to come
in through the open door.

Jesus wants to be your
friend. Ask Jesus to show
you more about Himself.

He may want you to sit on
His lap or hug Him.
Jesus may want to show you
His throne in Heaven.

Or the angels.

Or places to visit in Heaven.

Or maybe Jesus just wants
to love you.

If you can imagine a balloon,

or an ice cream cone,

or Jesus standing at an open
door

Then God wants to show you
more!

Bible verse to memorize:

Revelation 3:20 "Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me."

If you are having a hard
time seeing Jesus (some do).

Don't give up!

You may need to practice
and practice and practice
and practice and practice
putting Jesus in your eyes!

Keep practicing until you get
good at it!

Other ways to put Jesus in
your eyes ~

Listen to a song about Jesus.
With your eyes closed.

Make pictures in your eyes
from the words in the song.

Listen to a Bible story with
your eyes closed and picture
the words of the story being
read to you.

It is fun getting know Jesus
as your friend!
