

# The 7 Spiritual Gifts

Looking for your gift is like looking for buried treasure.

Every snowflake is different from any other snowflake.

God made the snowflake and  
God made you different from  
anyone else in the entire world.

Look real close at your thumb.

Did you know your very fingerprint is different from anyone else?  
No two fingerprints are alike. Did you look close at your thumb?  
Do you see all those tiny lines?

Just like God gave you a body with your very own  
special DNA map, He also gave you your very own  
special spiritual DNA map. Unlike anyone else in  
the entire world, He gave it to you.

You are very special to God, your Creator!

Which Spiritual Gift do you think that God gave to you?

Spiritual Gift of Prophet  
Spiritual Gift of Servant  
Spiritual Gift of Teacher  
Spiritual Gift of Exhorter  
Spiritual Gift of Giver  
Spiritual Gift of Ruler  
Spiritual Gift of Mercy

Just like you received your physical DNA from your earthly father, like the color of your eyes, the color of your hair, how tall you will grow; Your Heavenly Father has given you His very own spiritual DNA.

DNA is a scientific term that means your very own special design.

Just like your thumb print, and the iris in your eye make up your special physical Design or DNA, your spiritual Design or DNA is very special and given to you from God, your Heavenly Father.

God, the Father and Creator of the Universe, designed you for this specific time and place in eternity, and He has a very special plan and purpose for your life.

On the following pages, you will discover 7 gifts.

You have a little part of each one of the 7 gifts. However, there will be one gift that is your dominate gift. You will discover your dominate gift just like you discovered which hand to hold your pencil so that you can write. Which hand do you hold your pencil? Your right or your left hand?

The spiritual gifts are found in the Bible, God's word. The Bible is your guidebook. The Bible will help you grow in knowledge, wisdom and truth.

**NOTE TO PARENT OR TEACHER:** We have written this curriculum series for children to help them discover their spiritual gifts.

The curriculum outlines a unique class time. As children enter the classroom they will go to their team huddles. Team Huddle consist of a Theater Team (to set up props); a Drama Team (to learn a puppet part); a Worship Team (to learn songs).

After 15 or 20 minutes the teams come together and minister to each other. After the theater team has set up puppets and townhouses, the drama team will give a puppet play they have rehearsed. Once the puppet play has been given, the teacher will lead the class in a Bible game, and the Worship Team will end the class time by leading some worship songs.

There are 7 puppets and each one has a different gift to teach the kids:

1. **Storyteller** – has the gift of Ruler and gets the puppet people together each week
2. **Harriet** – Doesn't know her gift and wears a pirate hat while she searching for her spiritual gift.
3. **Harry** – has the gift of Mercy and teaches the kids about his special spiritual gift.
4. **Artist** – has the gift of Teacher and draws the conclusion to each lesson.
5. **Samuel** – has the gift of Prophet – and boldly lets Harriet's know her hat is evil.
6. **Jo- Jo** are twins. **Joseph** has the gift of Giving and helps kids learn about his gift.
7. **Josephine** demonstrates the gift of Servant; all puppets teach the memory verse.

We recommend the Happy Kids Puppets (Oriental Trading Company \$29.95).
